

**Subject:** Message from General Secretary to INPAFO Family

Dear INPAFO Family,

It is an honour to serve as Secretary-General of the prestigious Indo-Pacific Academy of Forensic Odontology (INPAFO). I am learning to build on the work of our past managing Executive Committee (EC)s, to help manoeuvre INPAFO sail across challenges that lie ahead.

What unites INPAFO members is our shared interests, having a passion for the discipline of the subject of Forensic Odontology. The fact that we draw our members from a wide range of groups specialties is one of the INPAFO's key strengths.

INPAFO has evolved from just being a gathering of scientific people to a large close knit family of passionate and active people, especially on a virtual platforms (not to mention.. WhatsApp, Facebook, Instagram, LinkedIn, etc).

You name it... You will find us!!

INPAFO offers an intellectually engaging space where members can benefit from the networks of advice, mentorship, and support that can sustain an academic career. In policy and practice, The Academy can provide access to timely evidence and ideas that can help to effectively work in direction of our objectives.

Our Academy is driven by its members, both national and international. Through our successful annual conferences, CDEs/CMEs and other events, our active partnerships with other national and international key organizations, and our publications, there are many ways in which members can be actively involved in shaping INPAFO's future. Please make use of these opportunities and help to ensure that, as a "Learned" & "Innovative" academy, we continue to provide a stimulating space for critical debate on core themes relating to the subject of Forensic Odontology.

Also, if you ever feel like giving an official feedback or saying casual hello just give me a shout or contact our EC team.

With Best wishes

**Dr. Aman Chowdhry**
