Dear Readers,  
Season's Greetings!

First and foremost, I would like to express my gratitude to Indo Pacific Academy of Forensic Odontology (INPAFO) administration for including me as a member of your esteemed, agile and progressive academy. I would especially like to recognize efforts of young and dynamic General Secretary INPAFO (Prof. (Dr.) Aman Chowdhry) for promptly collaborating with Sociedadperuana de Odontología Legal Forense y Criminalística (SPOLFOC). Since SPOLFOC and INPAFO hold similar objectives, presidents of both the societies have already agreed to cooperate for promotion of the discipline of "Forensic Odontology". We already have our SPOLFOC extensions in INPAFO, namely Prof (Dr) Priyanka Kapoor, Dr Manusmriti Rathi, Dr Udita Singh and many more. INPAFO appears like a sister society of SPOLFOC, since has in common members and events happening on common platforms. So although we would all agree there is still work to be done, by both INPAFO & SPOLFOC organization are healthy and on the right path to accomplish our purpose to establish, enhance, and revise as necessary, standards and guidelines for, and advance the profession of Forensic Odontology.

I can see though INPAFO lens now, how subjects of Forensic Odontology and Forensic Medicine should go hand in hand. INPAFO and SPOLFOC, in their respective capabilities capacities should increase interactions with:

- Judicial stake holders,
- Law enforcers (police), and
- Forensic experts

at various forums, such as Hands-on Workshops / Trainings / Conferences / Continual education programs or even virtual programs (Webinars etc). These efforts shall increase the subject's understanding, awareness and importance.

We at SPOLFOC will be more than happy to be part / stake holder / opinion giver to any academic venture organised by INPAFO's

I wish you all readers a very Happy New Year 2021. Hope it will bring all with good health, good luck & all the Best of desire.

Yours Sincerely,
